

# SCRIP card holiday order form

Looking at giving Gift Cards for gifts this holiday season? Order from Halfway Creek Lutheran Church and help support our fundraising efforts.

Preorder cards to ensure the cards are available (without preordering the gift cards are sold first come, first serve, so if we don't know the demand ahead of time we may run out and not have enough).

Preordered cards will be kept aside for you and you can pick them up at either church service. You pay when you pick up your cards.

Please choose the quantity and card values you want.
